Chip and Kristine,

I know Elizabeth is busy on several fronts but I am wondering if she has made headway on the PRG development? Obviously, if she has hit a snag with the FWM or any other aspect she is welcome to contact Windward directly for assistance. Thanks, Jim.

Chip and Kristine,

Attached please find a draft table with the action items and assignments from yesterday's meeting. Please provide comments or let me know if I left something off.

Thanks,

Jim McKenna
